If I'm sent to chuckawalla I'll have no choice but to go to Ad Seg  
Clerk Wieking, 007-04469 1/31/08

After waitin 8 months in Admin. Segregation for a transfer I've been endorsed to Chuckawalla. It's a level II dorm-setting I've been in Ad Seg for refusing placement in a dorm type setting due to my medical condition and for safety. I had medical chronos which preclude me from dorm-type housing. I'm a level III with 28 pts. I showed this to my counselor and she just shrugged her shoulders and said "You're going to a dorm-type setting." I requested Protective Custody during my I.C.C. hearing for transfer. I also have enemies none of which was noted on my transfer papers. This is being done deliberately. Staff has been stealing my outgoing legal mail since October. Can you help?

I'm lucky to spend 2 hours a week at the law library and a walk. Legal preparation is almost impossible given the conditions in Admin. Segregation. I've already written my counselor, her boss, the Lt. and the Warden. All to/for 9 times in the past 30 days. NADA/Nothing?
